CDF Home Care Mission:

The creation of sustainable home care cooperatives that optimize wages and opportunities for member-owners.

We do this by

- **supporting:**
 - quality technical assistance,
 - rigorous research, and
 - data-driven analysis,
- **sharing:** our experience with home care developers and cooperatives.

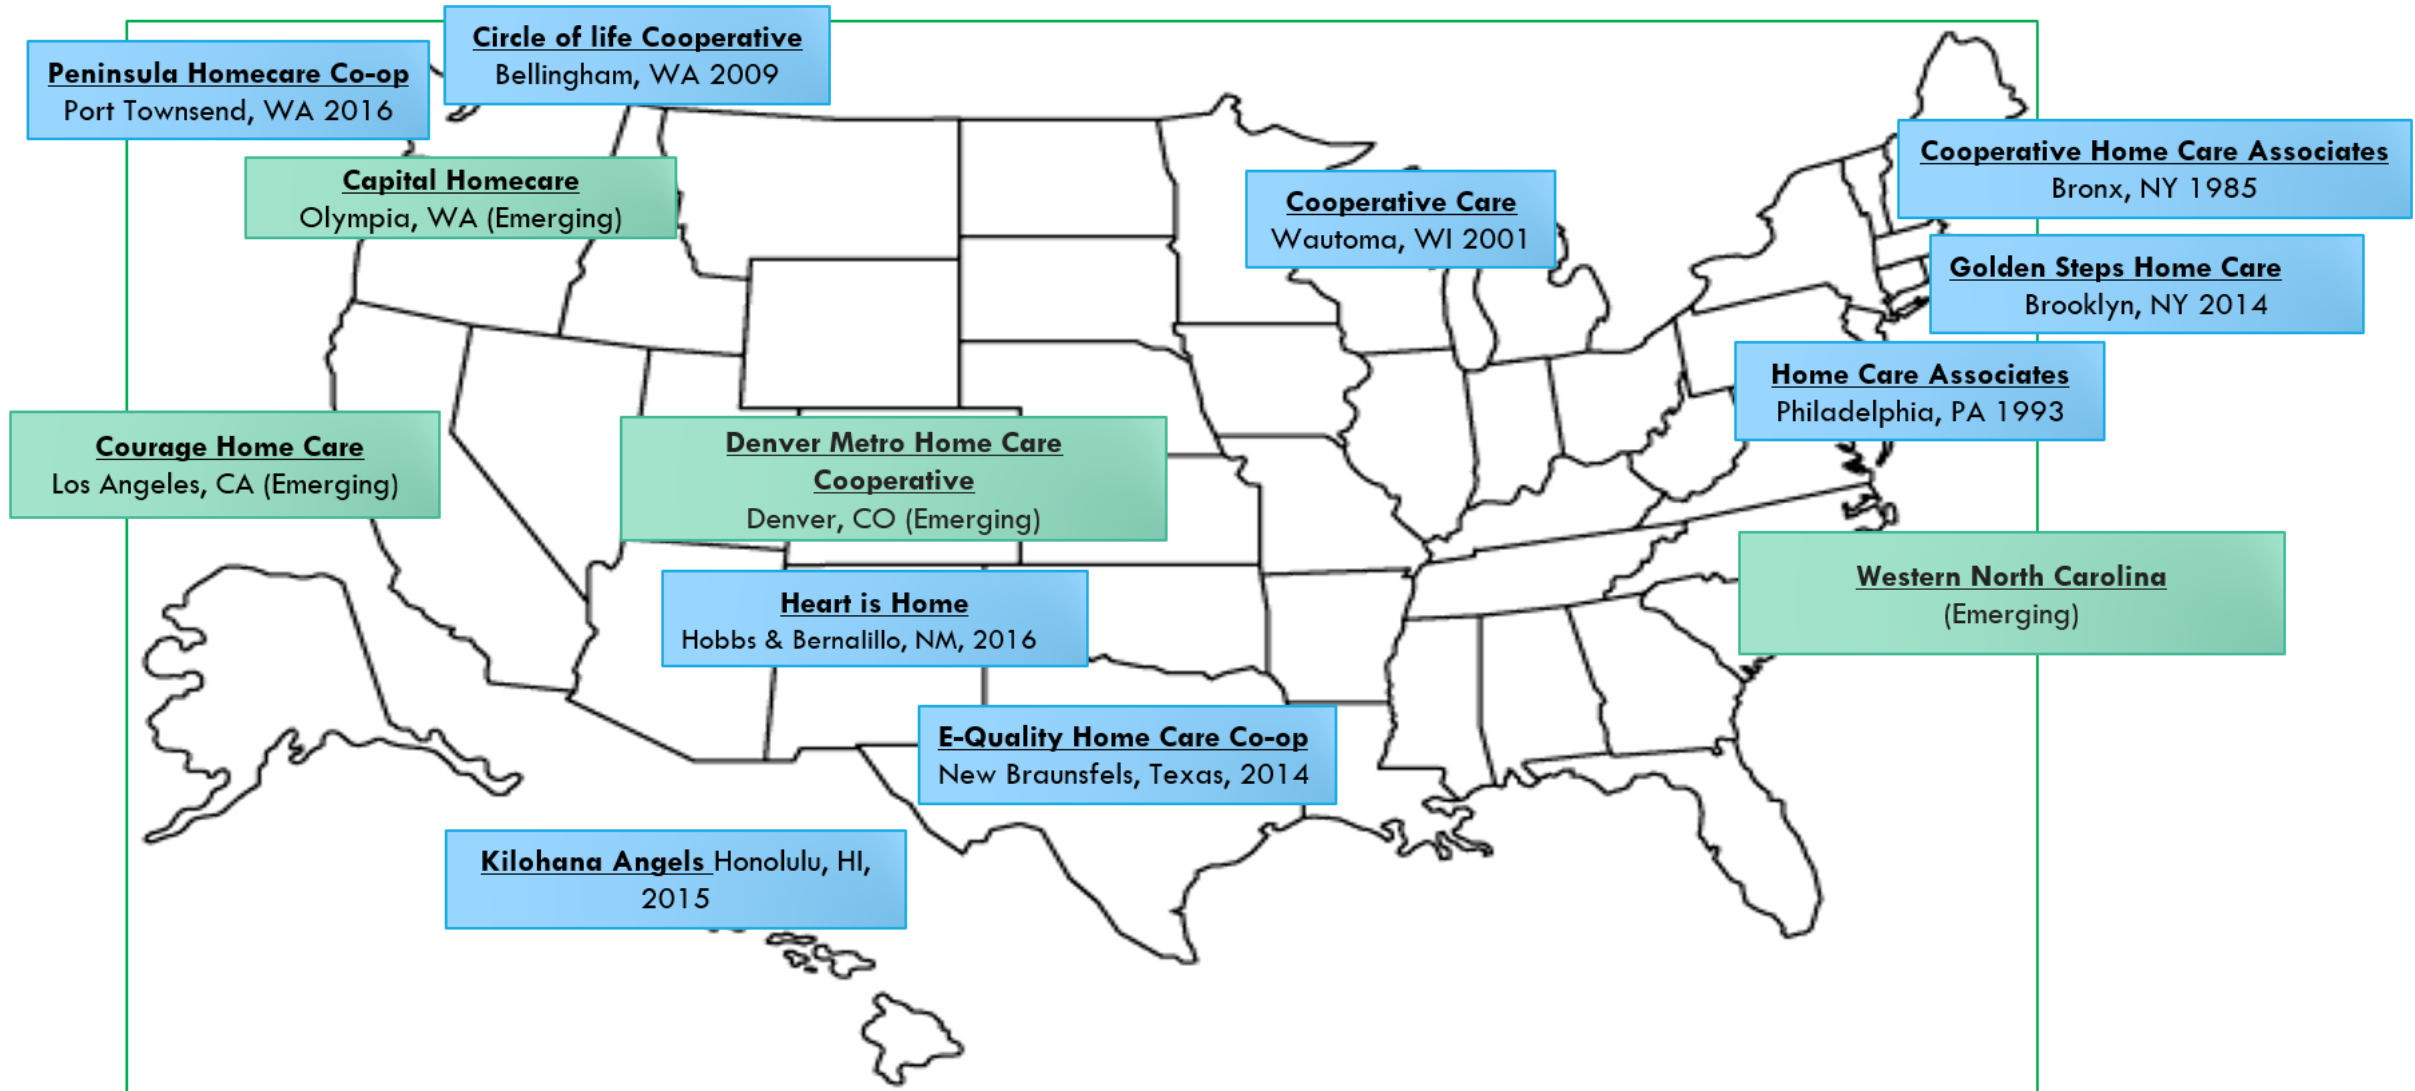

Development Steering Committee

- Monthly calls of technical assistance providers with home care cooperative experience
- Discuss issues arising in home care cooperatives
- Identify areas where more research is needed
- Develop tools and materials for coop boards and developers
